

MCR GENERAL MEETING

Tuesday 21st May 2013 (5th week, Trinity Term)
Upper MCR, 8.15 pm

AGENDA

1. Committee Reports and Notices

2. Somerville-Jesus Ball

This MCR notes:

1. While many members of the Jesus MCR had an agreeable night at the Somerville-Jesus Ball, other members of the Jesus MCR who attended have expressed concern over the appropriation of funds, which many did not believe provided an experience commensurate with the £110 ticket price.
2. These concerns have sparked an open letter to the Somerville-Jesus Ball Committee which, as of Sunday afternoon, has received 114 signatories.
3. These concerns have not yet been publicly addressed by the former committee, though the Jesus MCR believes they should be in the spirit of transparency, accountability and as an opportunity for the lessons learned from this ball to be passed onto the next Ball committee.

This MCR therefore proposes to:

4. Request that members of the former Somerville-Jesus Ball committee - namely, the former Chairman Sam Levin and former Vice-chairman and Treasurer, Alwyn Clarke - address these concerns through a report and release of the accounts from the ball to participants of the ball who request to see such information; this request will take the form of a letter written by the MCR President, from the MCR Committee.

Proposed: Ariel Gregory

Seconded: Sam Calderwood
