

MCR General Meeting
Wednesday 4th June 2014 (6th week, Trinity Term)
Upper MCR, 8:15pm
AGENDA

1. Committee Reports and Notices

2. MCR Kitchen Lock

This MCR notes that:

- (1) The kitchen lock is difficult to operate and in need of repair.
- (2) There are several kitchen keys that have gone missing; access to the kitchen is no longer strictly controlled, posing a security risk.
- (3) Replacing the lock will cost between £85 and £125 (quoted by a locksmith)

This MCR therefore proposes to:

- (1) Allocate up to £140 from the MCR savings to replace the lock on the kitchen door.

Proposed: Rohini Giles

Seconded: Damien Frost

3. MCR Summer Improvements

This MCR notes that:

- (1) Past meetings have discussed the necessity to update certain aesthetic qualities of the two MCR rooms, e.g. the state of the carpet and the MCR photos
- (2) The MCR Summer Improvement Project Team sent out a survey to the MCR to determine what updates were most anticipated.
- (3) Based on this survey, the most popular suggestions were:
 - a. Replacing the carpet
 - b. Adding throw pillows
 - c. Creating visible mug storage
 - d. Replacing the sofas

This MCR therefore proposes to:

- (1) Provide the MCR Summer Improvement Project Team with a budget of £5000 (or less) to implement some/all of these changes

Proposed: Kayla Siletti

Seconded: Jessica Boland

4. AOB
