

JESUS COLLEGE **GRADUATE SCHOLARSHIPS 2018-19**

The Governing Body proposes to award at least four Graduate Scholarships tenable at this College. Applicants will be judged on their academic merit. Preference may be given to applicants in later years of study. Some account may be taken of the balance between arts and science subjects at the shortlisting stage, but not in making the awards. Please note the scholarships are not awarded on the basis of contribution to general College life or to assist in cases of financial need (those in financial need should consult the Academic Service Manager about applying for Hardship Funds).

Who can apply?

Applications are invited from **present graduate members** of the College. Please note, those eligible should be in the first year of a two-year course, or taking a one-year course which will lead to a further three or four year (a defined 1+3 course), or in the first or second year of a three year course or the first, second or third year of a four year course, e.g. DTC or CDT courses. Part-time students are eligible to apply in years two, three or four of a six to eight year research course. PGCE, 2nd BM and Second Undergraduate Degree students are not eligible.

How many Scholarships are there?

There will be at least four Graduate Scholarships awarded. The number will depend on the quality of the applicants.

How much is a Jesus College Graduate Scholarship worth?

These scholarships will be of the value of £900 per annum (£450 for part-time students). They also carry the entitlement to dine at High Table without charge on Tuesday, Thursday and Sunday nights up to a maximum of eight times in Full Term (weeks 1 – 8) during the academic year (payment is required for any wine taken). When gowns are required, Scholars are also eligible to wear a Scholar's Gown (which will be paid for by the College).
